News from the Parish Council

On Thursday 1st May the long awaited referendum was held to decide whether our villages of High Littleton and Hallatrow would adopt the proposed neighbourhood plan. The results were 523 votes in favour and 58 against. In this period of pro development, the plan will ensure the voices of the parish will be heard and we will have a say in any planned housing and infrastructure changes. Unbelievably it has taken nearly 8 years to get to this point; I'd like to thank Councillor Simon Gould and the rest of the supporting team for all their hard work. The plan will also be at the forefront of any discussions with B&NES regarding the new Local Plan.

As we have seen in previous years, an increase in traffic, and in particular speeding traffic, is still very much a key issue for residents of the parish. I'm pleased to report that we have made some progress over the last 12 months. We now have flashing vehicle activation signs at every entrance point to both villages, and recently due to the location of the community speed watch group have been able to put up two 30mph signs on Hallatrow Hill and the exit road to Paulton. Hopefully these will have some impact; although the work on this issue will always be ongoing. I would like to thank the community speed watch group for all the time they give to a very important cause.

To increase transparency between residents and the parish council, in November it was agreed that the annual budget will be posted on our website in January with a 6 month review later on in the year. The council has continued to support many of the local groups in the village, providing funding for projects at the Recreation Ground, the Repair Café, Dial-a-Ride bus scheme, the Yarnbombers, etc. As a parish council we also provide funding on behalf of the church for the grass cutting of the cemetery which has been increased over the past 12 months.

Looking forward to the next 12 months the parish council and district councillor are actively monitoring the situation at Rosewell Nursing Home. We have also recently agreed to purchase bleed kits to attach to the defibrillators located within the parish and will continue to work with B&NES on the new Local Plan.

Now we are in the height of summer and enjoying being outside please be mindful when cutting back trees and hedges of any nesting birds and wildlife. Sadly many species that some of us grew up with are in decline and often need our support.

Did You Know?

Did you know that our village church is kinky! Literally bent! The base of the tower is 15th/16th century, the nave and chancel are 19th century. Both the original church and the present were built on a magnetic east/west alignment. The builders would have used a compass for this, but during the 400 years between the construction of the two buildings, magnetic north, as it constantly does, moved - so there is an 8 degree difference in the two alignments. If you're in church, see if you can spot it!

News from the Rec Trust

"Summertime and the livin' is easy", and the Rec is looking pretty good (but no fish are jumping!) The memorial garden, veg plot and herb garden are flourishing plus more planting of flowers and shrubs is going on around the tump, the grassy bank area and alongside the trees. Thanks to the D of E volunteers and Paul Hooke respectively for their efforts to add to our lovely green space. If you have any spare plants or seeds going begging, please let us know – we would be delighted to accept any donations to help enhance our flower beds or wildlife areas.

Picking up on the last edition of News & Views, the play equipment is gradually being repainted thanks to our young volunteers and thank you for your patience with this. The new picnic table has been ordered as has the outdoor gym equipment and they should be in place soon (or even be there by the time you read this!)

The hundredth year is a good excuse to delve once more into the Rec archives and reflect on past deeds and events. In 1977 there is mention of the Silver Jubilee celebrations for Queen Elizabeth II. A separate Jubilee Committee held fundraising events such as the ladies & gents football match on Easter Monday (ahead of its time!), there were carnival floats and Bath Spa Brass Band was hired for a concert as part of the celebrations during the "Jubilee Days" in June to coincide with the Queen's birthday. Also, in 1977 Ernie Hathway completed thirty years' service as secretary of the committee followed by Ern Brooks in 1978. Both were recognised for their efforts in the 1978 AGM. They along with many others on the committee laid the foundations for the Recreation Ground we know today. On a lighter note, the minutes record that Reg Pike was offered £5 and a bottle of port for trimming the hedge at the Timsbury Road end. Also "children were seen riding on the tractor when the field was being cut". The committee was totally against it and instructed the secretary to have a "word with the groundsman". If you have any Rec memories you'd like to share please let us know.

Coming up soon is the PTA Colour Run on Friday 4th July 1-4pm and we round off with another Village Day on Saturday 23rd August. Enjoy the Rec this summer and keep helping us look after it.

Emails or a message via our Facebook page are the best ways to get in touch. The email address is hlrecgroundsec@gmail.com. Regular updates can be also seen on our facebook page & High Littleton Lost, Seen & Found (UK).

High Littleton Kickabout Club

A picture of the random bunch of lads and blokes who have a kickabout up the Rec on Thursday nights, from May through til October. It may look more like a police line up for Police 5, but they are actually all footballers! A few are missing as we have picked up a few injuries in the early months, but we are usually getting upwards of 20 players every week now - so going from strength to strength! Great to see some new blokes, who have joined since seeing the last article in News and Views. By the time this goes to print, the charity game in June, in aid of Prostate Cancer UK, for my 60th birthday would have taken place. Hopefully we didn't upset too many people with our 6am ko.

If anyone else is interested in popping up for a game ..followed usually by a beer, just turn up about 6.15 or even Whatsapp me 07515507443 for details!

If anyone would like to donate to the just giving page , please scan the QR code to the right. Cheers. HAVE A GREAT SUMMER

High Littleton Recreation Club

Summer is here at last and here's a short update on what's been happening at the club...

The football season and league skittles has finished, so now it's the time of the ever popular Club Summer Skittles League to keep the club busy on weeknights. This year 9 teams are battling it out to win the title; 2 teams from last year have dropped out, but the Thursday kickabout footy boys have entered a team this year. At the time of writing though, they have played 2 and lost 2, (which is a worse win rate than Ange Postecoglou at Tottenham or Rubin Amorim at Man Utd - it must be bad!) Hopefully the manager / captain can get things on track before he gets the sack!

If anyone is in the village and would like to JOIN a summer skittles team, pop in the club or message me. (Some teams are always struggling for players so you could well get a game.)

The club tribute nights are proving to be very popular (thanks to all who support these events.) The Robbie Williams Tribute was top quality and our next tribute is a Freddie Mercury Tribute on Sat 19th July. Tickets are £10 each and are limited, so pop in the club to get yours, or message me on 07515507443.

The Village Day will be upon us before we know it and the club will be open all day as usual and look out for further updates on live music for the evening!

THE CLUB IS AVAILABLE FOR PRIVATE HIRE AT VERY REASONABLE RATES - again pop in the club or message me for details!

Follow us on Facebook: High Littleton Recreation Club for club updates.

Have a great summer and hopefully see you in the club sometime.

Free memberships and cheap prices.

High Littleton Scout Group

On Sunday 27th April as part of our St. Georges Day event, members of all sections of the group took part in a round the village walk. Beavers, Cubs and Scouts went on varying length walks, all ending up back at our hall for drinks and cake. We then had a promise renewal ceremony where all sections re-took their oath. Pictured are a few of those who took part, all smiling after their cake. We are part of Wansdyke Scouting District and the St. Georges Day event runs on a three yearly cycle of having it within your group, with your section and then with all the Wansdyke groups together.

In May, as some of you may have noticed, we were able to continue with our hall improvements by replacing all the windows in the school room. We now have double glazed units all round increasing the insulation of the room as well as helping to reduce the road noise. Repainting of this room is booked for June so by the time you read this it will be looking lovely.

Since we took over the building 3.5 years ago we have, through fund raising and grant applications, been able to do lots of improvements to the place and more are in the pipeline. This means we are starting to take bookings for the rooms from other users helping to make the hall a major village asset. Sitted exercise, yoga and a new toddler group now all have bookings there each week to add to the weekly coffee mornings and the monthly Repair Café. The scout group themselves run a monthly afternoon tea and film nights. We also have a website <https://highlittletonscouthall.org.uk> which has a 3D walk through of all the rooms, a calender of bookings, all contacts for the group and how to book the hall for regular events or one off bookings.

Cam Valley Arts Trail Group

On Saturday 3rd May, the Cam Valley Arts Trail Group welcomed visitors to our Spring Event, at Conygre Hall, Timsbury. Our visitors enjoyed seeing artwork in a variety of media and artists reported how lovely it was to see everyone and have such interesting discussions. As well as our regular artists, it was good to welcome several new exhibitors to the event. Jane, a new member, said "I enjoyed the lovely chilled atmosphere and the opportunity to meet and talk to other artists". We even had visitors from America who told us how much they had enjoyed the whole event, including the delicious home-made cakes!

The Community Sketchbook, a new addition, was a great success with many of our visitors adding to it. This will be displayed at our next event, which will be a two day exhibition and sale, once again at the Conygre Hall on the 1st and 2nd of November, 2025. Please put this date in your diary and we really look forward to seeing you there.

High Littleton & Hallatrow Village Day Annual Celebration Meal

On Saturday 17th May the Village Day committee held their annual celebration meal in the Church Hall for those living in High Littleton and Hallatrow. This was our 21st year and it was attended by thirty-nine villagers. It started with a large spread which included salmon, ham, beef and a large array of salad items, followed by a choice of ten desserts. It was rounded off by tea or coffee and After Eight mints. We were then entertained by Paulton Ukulele Band, who played for about an hour and were well received by all.

Thanks go to Angie and her team who did an amazing job and to Paulton Ukulele Band.

Village Day 23rd August 2025

We will be welcoming the whole parish with their family and friends along to our twenty-eighth Village Day on Bank Holiday Saturday 23rd August. We are all hoping that the weather will be kinder to us this year so everyone can have a great afternoon and help us raise funds for local community groups and organisations. The Yarnbombers will be decorating the village again at the end of July to promote the event and this year's theme is Creepy Crawlies. Look out for the competition entry forms in August.

We are pleased that the City of Bath Brass Band will be joining us again and will be playing at 12:30 in the main arena. This is followed at 13:15 by the ever-popular Scruffs Dog Show organised as ever for us by the animal charity 'Funding Animal Futures.' Categories and information will be in the programme. Later on, Johnny G will be in the main arena at 15:30 with his own blend of magic and comedy.

If you have had a good year in the garden or enjoy being creative why not show off items that you have grown or made in the Produce Show Tent; there will be information about categories and how to enter in the programme and of course it is free to enter.

We have lots going on during the afternoon including the tea tent run by the church, the beer tent run by the PTA, the scouts' burger tent, ice-cream van, car boot sale, a dog agility course, coconut shy, skittles, a bouncy castle, character photo boards, a sand and play area alongside face painting and Johnny G's balloon modelling and of course lots of craft stalls.

The car boot sale starts at 12:00 and is £7.50 for cars or £10.00 for vans and/or larger pitches. The programme should be coming to your door in July/August when you will also be able to buy raffle tickets with a chance to win one of the many prizes on offer.

We would really like some help this year, on Friday 22nd at 6 pm putting up marquees and tents and on Saturday 23rd from 8 am helping with gazebos, tables, chairs, etc. If you can help, please come along on either day.

Also, our next monthly meeting is on 15th July at 8 pm in the Scout Hall. Why not pop in to see us and have a chat.

Chris Wootten, Chairman, Village Day Committee

Holy Trinity Church - The Flood, the Ark and You

In our churches recently we have been reflecting on the story of 'Noah's Ark'. This is a really well known Old Testament story that is often, probably inappropriately, characterised as a cute children's tale. I suggest 'inappropriate' because, despite all the lovely animals and the boat, it is clearly the story of a devastating apocalypse that threatened to wipe out all life. This is not the usual theme of a children's story! In our reading of the Bible there are always three strands, the sweep of the whole story, how the story points to Jesus, and what this says in our own lives. There is not space to unpack all of these layers here, but I would ask you to consider how this old story might speak into your own life.

The idea of the flood stems from a bigger idea that there are 'waters of chaos' that are ever present and threaten to sweep you away should they ever be unleashed. Sometimes life feels like an island of stability where the waters are kept at bay, or like a small platform of safety while the waters rush around you. And sometimes you are caught and washed away as the waters of chaos overwhelm you.

Wherever you find yourself, or may find yourself in the future, what you need to have is an 'Ark', a safe place where you can always shelter and travel through these difficult times. This is the place that faith can create. For Christians this place of safety, this 'Ark', is your relationship with God, where you can turn at any time if you feel like life is about to sweep you away.

If you want to know more about this, or feel like you need a little more faith in your life, come and visit us in church.

Holy Trinity 100 Club

The subscription for this is £12 yearly for each subscription and more than one subscription can be paid for. Half of the £1200 received goes in prizes and half goes to the church for the upkeep of the building.

Currently there are 13 unfilled places, so the church takes a smaller share so that £600 can still be given in prizes. Four months of the year the prize is £50 and £20. Eight months of the year the prize is £25 and £15. Winners for January - April are:

January ...no. 44....J Cornwell...£25 no. 85.....D Harvey.....£15	February... no. 37.....J Emery...£50 no. 51.....A J Pole...£20
March.....no.58.....D Dando....£25 no. 83....S Richardson.....£15	April.....no. 38.....D Emery.....£25 no. 99.....A Smart.....£15

Mary Jones Trust

The Mary Jones Trust was established in 1792 to provide financial support to those most in need in High Littleton. The original fund has long been spent and the charity now relies on generous donations from local people and organisations to continue to support people in our parish today.

Although not exclusively, the charity focuses on helping parents and carers with the costs of raising children in our community. Each year, the charity donates around £3,000 to £4,000 to local residents to help with the cost of school uniform, school trips and Christmas expenses.

The trustees of the charity are people from our parish who volunteer their time to give something back to the community. The phrase 'it takes a whole village to raise a child' rings true and donating money to the Mary Jones Charity is one way to help ensure children in our community don't have to go without.

Over the coming year, trustees will be seeking ways to make it easier for people to donate to the charity. In the meantime, if you would like to make a donation or find out how you can help, please contact the Parish Clerk - highlittletonclerk@outlook.com

High Littleton Repair Café

Our next Repair Café is on Saturday 5th July 10 -12.30 at the Scout Hall. We are taking a break in August, but will be back on the 6th September.

'How to' Workshops

We're hoping to run a 'How to Use Your Sewing Machine' workshop at the Repair Café on 5th July. This is a practical session on your own sewing machine and is perfect for beginners or anyone who hasn't used their machine in a while. We'll help you with setting it up and guide you through the basics of your sewing machine. Keep an eye on our Facebook page or contact us to find out more.

Could we repair something for you? In May we have repaired many different items such as a corded vacuum for Danielle, a kingfisher lamp for Francis and a lawnmower for Peter.

Our Repair Café is run entirely by volunteers. If you would like to join our friendly team or are unsure if you have the right skills, please come along to a Repair Café or contact us.
